

WELCOME TO XIZI

Long lasting XIZI, International XIZI

XIZI UHC

TOP 500 ENTERPRISES IN CHINA

A LARGE ENTERPRISES GROUP SPANS ACROSS
MULTIPLE INDUSTRIES, WITH MANUFACTURING AS
THE CORE

TOTAL ASSETS IN 2015 : 4.9 BILLION USD
(INCOME IN 2015: 3.6 BILLION USD)

TOTAL EMPLOYEE : 10,000

HEADQUARTER : HANGZHOU CHINA

OUR BUSINESS

Based on manufacture, Set up the industry benchmark :

Energy saving elevators NO.1

Elevator components NO.1

Tower parking NO.1

Waste heat boiler NO.1

C919 Airplane first class supplier.....

DEVELOPING HISTORY

1981, set up "Hangzhou XIZI Elevator Factory"

1993 , first elevator export to vietnam

1996 , XIZI elevator become No.1 of National brands.

1997-2007, as the No.1 supplier of elevator components in china

1987 , Pass the manufacturing and installation license

1996 , 4 escalators installed in hangzhou baida shopping mall

1997, set up joint venture "Hangzhou Xizi Otis Co.,Ltd."

DEVELOPING HISTORY

Oct 2008, set up "Hangzhou Unite Elevator Co.,Ltd."

2011, Province High-Tech enterprise, Hangzhou innovation corporate

2014, Province High-Tech enterprise, Jianggan district quality enterprise, The national quality and service credit outstanding enterprises

2016 , new products Victor MRL(T) elevator and XEC-6000 escalator published

2009 , CHINA AAA quality credit enterprise

2012 , Top 10 brand for CHINA security housing

2015, grand open of XIZI elevator industry park in lin' an, Top 100 enterprise of zhejiang province

We provide products and services for the top 9 elevator brands in the world

CARE FROM LEADERS

XIZI 西子电梯

President XI visited XIZI on Nov 18th, 2006

On Nov. 18, 2006, Mr. Xi Jinping came to Hangzhou Boiler Group, and studied the new high-tech green energy products closely. He asked about the mastery of independent intellectual property rights by Hangzhou Boiler Group.

GOVERNMENT ATTENTION

XIZI 西子电梯

President Hu visited XIZI on Jul 28th, 2007

On July 28, 2007, Mr. Hu Jintao visited XIZI UHC, and was very satisfied at XIZI UHC' s practice of implementing energy conservation concept in the whole process from product design to manufacturing

GOVERNMENT ATTENTION

XIZI 西子

Premier Wen visited XIZI on Jun 25th, 2010

On June 25, 2010, Mr. Wen Jiabao visited XIZI UHC and encouraged the company to have more No.1s and keep the leading positions in industries.

GOVERNMENT ATTENTION

XIZI 西子电梯

Premier Zhang visited XIZI on Mar 31st, 2009

On March 31 2009, Mr. Zhang Dejiang visited XIZI UHC and wrote down that XIZI UHC is a pioneer in energy conservation and emission reduction

Premier Ma visited XIZI on Oct 31st, 2015

On October 31, 2015, Mr. Ma Kai visited XIZI elevator industry park and gave high praise on the operation and management of XIZI factory

Efficient
高效

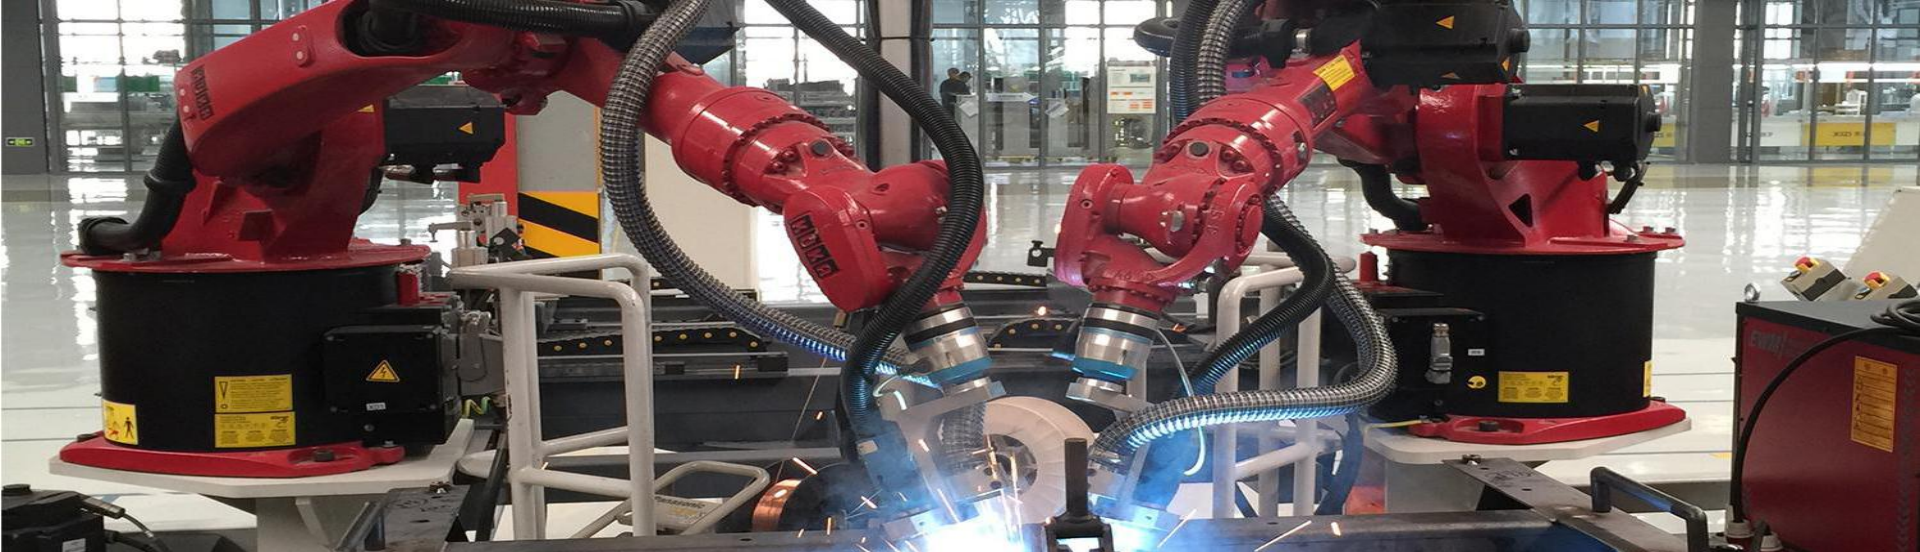

CRAFTSMAN SPIRIT

From traditional manufacturing to intelligent manufacturing

PERSONALIZATION MANUFACTURE

- LVD laser cutting satisfy with personal design
- Can make cold roller under 4m, meet the requirement of big cabin

INTELLIGENT MANUFACTURE

- Machining accuracy $\pm 0.3\text{mm}$
- Robot welding(can move in 5 tooling platform)

XIZI 西子电梯

ORIGINAL FACTORY ORIGINAL BRAND

Controller, get hold of key technology, independent R&D, manufacture starts from main board

ORIGINAL FACTORY ORIGINAL BRAND
Assembling, interactive testing all done by our factory.

ORIGINAL FACTORY ORIGINAL BRAND

- Six station assembly a door operator every 3 minutes
- Every door operator after mute and load test, guarantee the goods to the site without debugging

ORIGINAL FACTORY ORIGINAL BRAND

- Global biggest gearless machine production base
- Every 1.5 minutes one machine

MACHINE MANUFACTURE CENTER

- Testing center
- Magnet steel production line
- Magnet plate production line
- Casting production line

Automatic winding concentrated coiling,

the only one in industry

**The only global specialized produce elevator magnetic steel,
no demagnetization risk**

**Lead the transformation and upgrading
of national enterprises
Carries human security responsibilities**

ESCALATOR MANUFACTURE CENTER

LONGMEN TOOLING

- National invention patent tooling
- Glass clamping positioning installation
- Up & down bottom positioning installation
- Guide panel positioning installation
- Brackets positioning installation

静音室
Noise Testing Room

MUTE TEST ROOM

- 23.5M Length, 9m width
- Mute effect < 55db
- Build with environmental protection building materials

Leading the new trend of the technology innovation

PRODUCTS RANGE

研发中心

R & D Center

STRONG R&D TEAM

- A senior industry technology R&D team and engineering personnel
- Over 300 R&D engineer and National laboratory
- Over 30 primary constructors

INTELLIGENT R&D-HIGH SPEED TEST TOWER

XIZI 西子电梯

First phase, max. 7m/s max. capacity 8T, advanced in CHINA.

Second phase reach 208M, satisfy with the development for 18m/s elevator

NATIONAL TEST CENTER

步入式温湿度试验箱 Temperature & Humidity Test Chamber

XIZI

产品特点 Features

- 温湿度精准控制
Accurate Controlling of Temperature and Humidity
- 测试曲线可编程
Programmable Testing Curve
- 可存放大件样品
Capable to Test Big Testing Piece
- 可编程控制
Programmable Control

• 电梯控制系统、召楼盒、梯铁箱、门机变频器等各类电梯部件
Elevator Control Cabinet, LCP, COP, Inverter of Door Operator etc.

• 测试标准 Test Standard
GB/T 2423.4《电工电子产品环境试验 第2部分 试验方法 试验Db: 交变湿热 12h+12h循环》
IEC60068-2-50 Environmental Testing-part 2:50 Tests--Test Db: Damp heat, cyclic (12h+12h cycle)

• 测试目的 Test Purpose
测试电梯大型部件在高温高湿到低温不停循环的环境中的性能
Test elevator parts performance under high temperature and humidity down to low temperature non-stop cycles.

RELIABILITY TEST

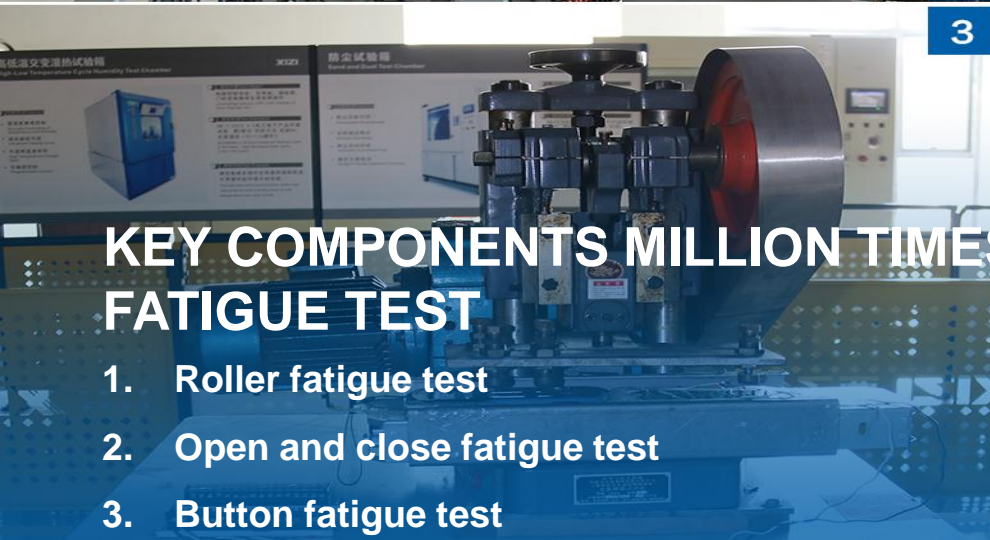

XIZI 西子电梯

KEY COMPONENTS PHYSICAL TEST

1. Mechanical vibration test
2. Raining test
3. Salt fog corrosion test
4. Viscosity test

XIZI 西子电梯

10m/s High speed elevator

The first elevator used in 250-350m rise building in china

Innovated belt machine

Integrative design, smaller size and weight, reduce the brake noise, disk brake maintain free, enclosed bearing doesn't wear at all

Advanced Disk Motor

Safety and strong power, performance is remarkable, energy saving reach 40%

National invention patent Appearance patent Utility patent

Button appearance

Dual-power elevator invention

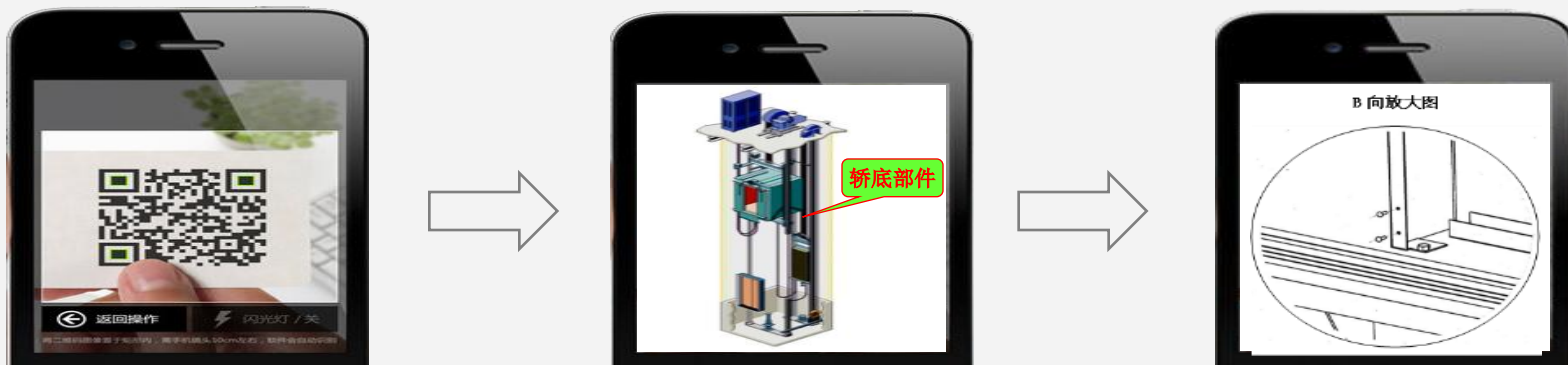

Human interface utility

Over 100 patents

INTELLIGENT SERVICE

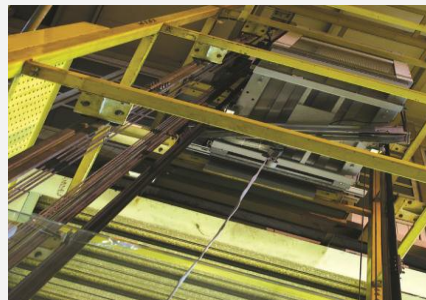

Qr code guide installation

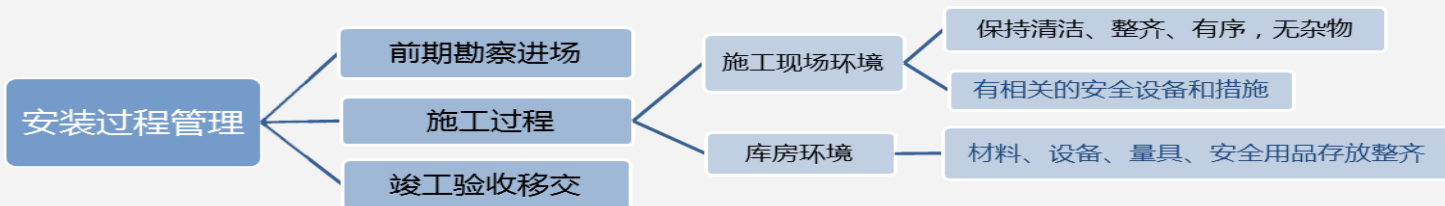

Guide the installation through Qr code, increase the efficiency and quality of installation

No scaffold installation

No scaffold installation, with the advantage of safety, quality, efficiency

Complete process management system

INTELLIGENT SERVICE, CUSTOMER SUPREME

XIZI 西子电梯

- Quick response, answer the 400 phone within 14 seconds
- Response all kinds of requirements from customer, assure the emergency arrival time < 30min.

Service line : 400 826 1112

The remote monitoring system, elevator maintenance management system, zero distance tracking and detecting elevator situation

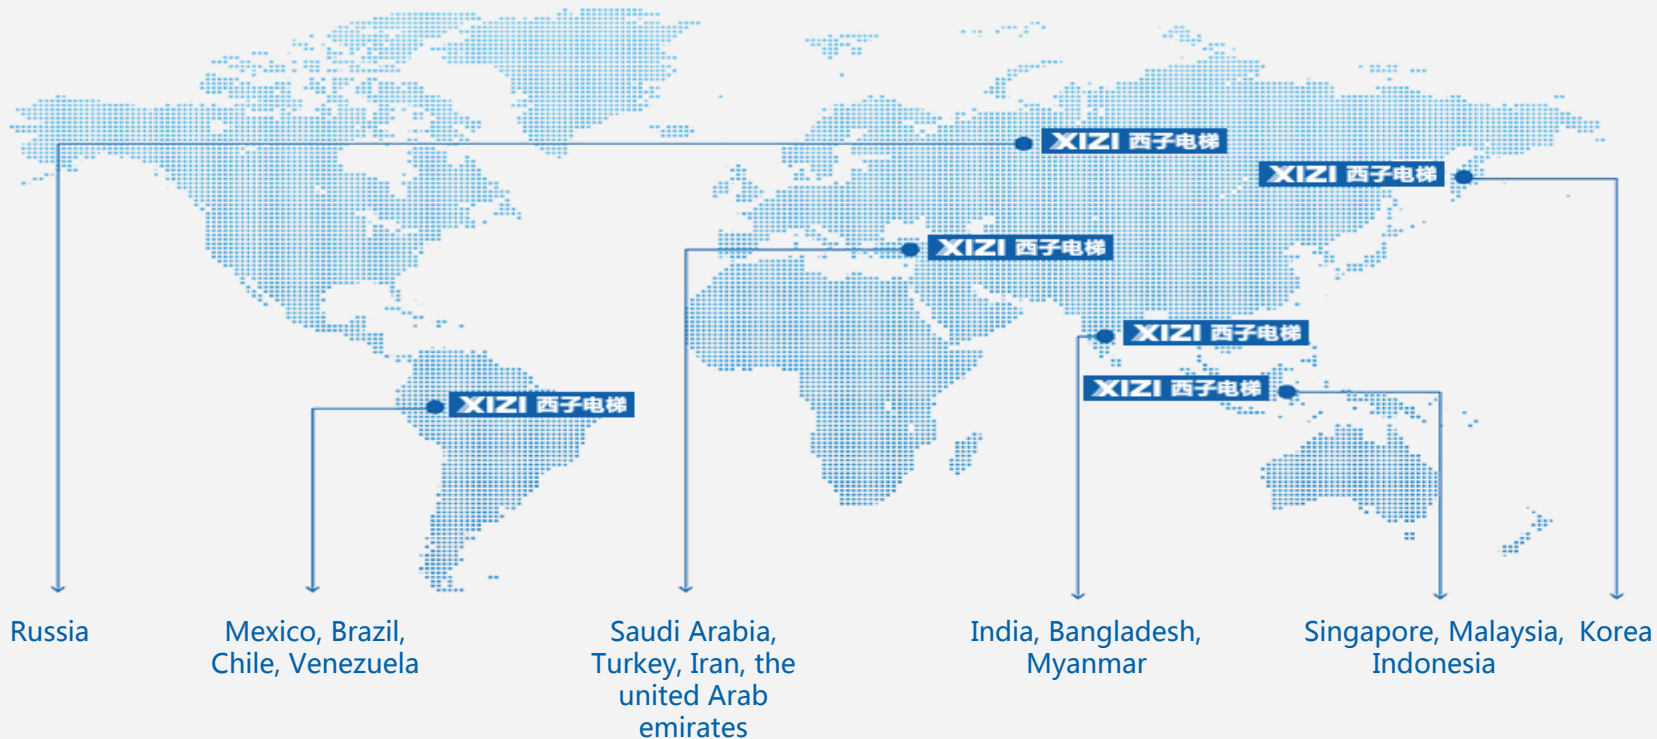

FOCUS ON CHINA

34 Domestic sales branches

31 Domestic service branches

OVERLOOKING THE WORLD

Oversea market cover ASIA, EUROPE, AFRICA, SOUTH AMERICA over 67 countries and regions
